#### **Optional**

To defray the cost of playing ball we are offering the sale of candy. It is **not required** that you sell candy. This is how it works:

Each box contains 52 pieces of candy to sell for \$1.00 a piece. With the exception of Hands-On T-Ball, an additional \$25.00 will be added to your registration fee per one box of candy, thus defraying your cost by \$27.00. At registration, ask how to play for free by selling candy. All candy fees will be paid up front at walk-in registration. The candy offer is a limited time offer. When we run out of candy, no more will be purchased. Register early if you would like to take advantage of the candy option.

Due to health considerations, purchasing a helmet is recommended. Helmets are available at walk-in registration for \$15.00.
